CIRCUMSTANCES OF CLAIM

In the space below briefly describe the circumstances of your claim. (Attach additional sheets, if necessary.) For auto damages, attach a copy of police report, if any, and a diagram of the accident scene indicating north, south, east or west corners if the accident occurred at an intersection. For bodily injury, indicate nature of injury, whether or not medical attention was given and the name of the treatment provider. Identify any witnesses to the incident/accident.

The night of 6/18/25, my car was parked legally, we had filed the overnight parking form, on Cherry Street in front of my host family's home. The evening there was no storm, and little to no wind. However, during the night, two branches broke off the tree next to the street, the city's tree, and fell onto my car, causing some damage. There are dents in the roof and rear drivers side door, the rear upright panel of the trunk, and the rear drivers side bumper is cracked and displaced.

I was informed by the city worker, who came to assess the situation and barricade the street, to contact the city regarding compensation for the damages.

I have attached some pictures of the tree and the damage to my car
