Growlers East Tosa is a gastropub restaurant focusing on craft beer, quality selection of bourbons, and made fresh appetizing menu. Decor will be new remodel with an interactive sports theme including a golf simulator, dining area, and a wall of Growlers from breweries all over the U.S. With over 14 TVs and large projection screen, sports ticketer, we want to be one of Wauwatosa's premier sports watching venues. We would like to expand into the adjacent space to use it as separate game room for the golf simulator, shuffle boards and dart boards.
