RE: Contract 23-19 / Projects 2023  
Approval of Final Payment for Contract 23-19 Sidewalk Repair Program

Dear Board Members:

Milwaukee General Construction Company has completed the work of the 2023 Sidewalk Repair Program project and work incidental thereto under Contract 23-19 / Project 2023. The work took place in various predetermined locations in Wauwatosa.

The final contract value due to the contractor is \$1,051,384.27. The contract award amount was \$935,572.05. The final amount due the contractor is \$162,616.45. The final contract is \$115,812.23 above the awarded value. Additional areas of replacement consistent with the sidewalk repair guidelines were identified after initial review when the final review was completed immediately prior to work starting. This resulted in a new increase in the project cost as noted above. Change Order #1 also added cost and was done to replace a deteriorated electrical crossing for the existing street lighting system.

I hereby certify that the work on Contract 23-19 / Project 2023 was completed in a manner satisfactory to the City of Wauwatosa and recommend acceptance of the same by the Board of Public Works.

Sincerely,

Nick Deming, PE  
Construction Manager
