

Business planning

The business operates from Monday to Saturday 11:00 AM to 9:00 PM. It is open for dine-in, takeout, and delivery. We have 2 full time employees and 1 part time. 2 chefs, 1 server/host. The menu is still the same as the previous owner's menu.

There is 1 kitchen. 2 restrooms; one for men and one for women. In the restroom there are 2 stalls. 1 seating area where we will have 10 tables. 4 seating for each table. Some tables will combine with seating of 8 for big parties. 1 bar area but because we are not serving alcoholic drinks, it will be used for serving water and other non alcoholic drinks. One checkout counter located between the kitchen and entrance. There are three entrances/exits. One is in the front and one is in the back. The other one is in the kitchen which will only be used by the employees. Basement for storing.
