February 2, 2023

Dear City of Wauwatosa Board of Public Works:

On behalf of the Tosa Green Summit and Wauwatosa CrimeStoppers, I would like to request the use of a portion of the City Hall Parking on the following dates, for the purpose of recycling collections as part of the 13th annual Tosa Green Summit:

- Saturday September 9, 2023, from 7 am to 1 pm for Wauwatosa Crimestoppers annual Shred It event and collections for medicine, textiles, bikes, and Tosa Cares.
- Saturday September 16, 2023, from 7 am to 2 pm for MMSD's Household Hazardous Waste collection, along with a potentail scrap metal collection.

Two maps depicting the requested area and traffic flow are attached.

Also on September 9, we will have exhibits in the lower civic center, which I have previously reserved with the Public Works Department.

Our plan is to again split the recycling events between 2 Saturdays, in an effort to simplify and streamline the flow of traffic, as well as to reduce traffic backups and wait times, as we did in 2021 and 2022. This worked very well last year with manageable backups throughout the event.

At your convenience, please schedule this request for a future Board of Public Works meeting. I will make every effort to attend to answer any questions that come up.

Thank you very much for your consideration.

Sincerely,

Jeff Roznowski
Chair –TosaGreen Summit
