

CITY OF WAUWATOSA
MEMO

To: Wauwatosa Sustainability Committee
From: Megan Conway, Sustainability Manager
Subject: Monthly Sustainability Updates – **February 2026**

A. Updates (January 2026)

- Grant updates
 - ReFED Compost Crusader submission
 - Potential partnership with Health Department
 - Fund for Lake Michigan – Firefly Grove Park wetland restoration
- Follow up – Sustainability key messages
 - Any additional feedback?
- MMSD Green Summer program
- We Energies Renewable Pathways meeting with Milwaukee City and County partners
- WLGCC updates and positions
- City Hall/Library updates
- City Communications support resource

A. Short-Term Priorities (February 2026)

- Kick off data collection for WI DNR Green Tier Legacy Communities Report
- Finalizing and submitting Fund for Lake Michigan grant application
- Sharing new Focus on Energy programs for 2026, HOMES/HEAR programs
 - Residential outreach resources from Focus
 - Exploring potential for local resource tool, City of Milwaukee model
 - Exploring potential for Practical Energy Management (PEM) incentive

C. Requests for Committee Support

- Share WLGCC positions with networks
- Feedback on idea RE: drafting energy tips for homeowners and renters?
