February 21, 2024

Dear City of Wauwatosa Board of Public Works:

On behalf of the Tosa Green Summit and Wauwatosa CrimeStoppers, I would like to request the use of a portion of the City Hall and Public Works Parking Lots on the following dates, for the purpose of recycling collections as part of the 14th annual Tosa Green Summit:

- Public Works Parking Lot, Saturday September 7, 2024, from 7 am to 2 pm for MMSD's Household Hazardous Waste collection.
- City Hall Parking Lot, Saturday September 14, 2024, from 7 am to 1 pm for Wauwatosa Crimestoppers annual Shred It event and collections for medicine, textiles, bikes, scrap metal and Tosa Cares.

Two maps depicting the requested area and traffic flow are attached.

Also on September 14, we will have exhibits in the lower civic center, which I have previously reserved with the Public Works Department.

We have moved the MMSD collection to the DPW location, in collaboration with Dave Simpson and his team, to improve the traffic flow and eliminate the traffic backups that occurred at City Hall and along North Avenue. Regular Drop Off Center collection will continue to occur on September 7 from 7:30 am to 4 pm. We will have volunteers directing traffic to and from 113th Street.

For the other recycling collections at City Hall on September 14, traffic has always run smoothly, with minimal backups, but we will continue to have volunteers guiding traffic.

At your convenience, please schedule this request for a future Board of Public Works meeting. I will make every effort to attend to answer any questions that come up.

Thank you very much for your consideration.

Sincerely,

Jeff Roznowski
Chair –TosaGreen Summit
