Can you add this to the DRB packet? (Can be tomorrow when you do the minutes)

Thank You,
Stefanie Escobedo
Building & Safety Manager
City of Wauwatosa

Concerns about Tosa Lofts.

We have a nice quiet neighborhood. We will lose this quiet neighborhood by adding a building that adds 357 apartments. Where will all the cars be exiting? Does Wauwatosa not want residential homes anymore?

Will visitors of those apartments be parking on the streets around that complex. It's very sad that Wauwatosa has no interest in maintaining families in this city. I know how I feel about this does not matter to the city officials. I wonder how they would like an apartment complex of this size in their neighborhood.
