#### Please tell us about yourself and why you want to serve.

Throughout my life I have always been taught that the way we treat the least is how we treat everyone. I hope to truly embody that phrase by serving on the Commission for Persons with Disabilities, and by doing my best to ensure that all people in our community are able to be as fully accommodated as possible and live unimpeded. I believe it's important for Commissions such as this one to have representation from students who can provide a unique viewpoint and perspective, allowing us to better serve everyone in our community.
