My name is Jane Hertzberg and I'm a freshman student at Wauwatosa West High School. I'm a very active student and love to get to know others around me. My community is really important to me. I moved here when I was in preschool and have formed lots of relationships. I like meeting new people. One of the things I want to get involved in next year at my high school is the We the People American Public Policy group and I believe that getting involved in my city through a committee would be really helpful. In particular, Equity and Inclusion is important to me because I believe everyone should have a voice when we are making decisions for the city. I'm concerned about historical laws and decisions that were made that still impacts us today like segregation and discrimination. I would like to help make Wauwatosa a great place to live for everyone.
