BLANKET ADDITIONAL INSURED ENDORSEMENT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

With respect to this endorsement, **SECTION II—WHO IS AN INSURED** is amended to include as an additional insured any person or organization whom you are required to add as an additional insured on this policy under a written contract, written agreement or written permit which must be:

- a. Currently in effect or becoming effective during the term of the policy; and
- b. Executed prior to the “bodily injury,” “property damage,” or “personal and advertising injury.”

The insurance provided to these additional insureds is limited as follows:

1. That person or organization is an additional insured only with respect to liability for “bodily injury,” “property damage” or “personal and advertising injury” caused, in whole or in part, by:
 - a. Your acts or omissions; or
 - b. The acts or omissions of those acting on your behalf.

A person’s or organization’s status as an additional insured under this endorsement ends when your operations for that additional insured are completed.

2. With respect to the insurance afforded to these additional insureds, the following exclusions are added to item **2. Exclusions** of **SECTION I—COVERAGES**:

This insurance does not apply to “bodily injury,” “property damage” or “personal and advertising injury” occurring after:

- a. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
 - b. That portion of “your work” out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.
3. The limits of insurance applicable to the additional insured are those specified in the written contract, written agreement or written permit or in the Declarations for this policy, whichever is less. These limits of insurance are inclusive of, and not in addition to, the Limits of Insurance shown in the Declarations for this policy.
 4. Coverage is not provided for “bodily injury,” “property damage,” or “personal and advertising injury” arising out of the sole negligence of the additional insured.
 5. The insurance provided to the additional insured does not apply to “bodily injury,” “property damage,” or “personal and advertising injury” arising out of an architect’s, engineer’s or surveyor’s rendering of or failure to render any professional services including:

- a. The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; and
 - b. Supervisory, inspection, architectural or engineering activities.
6. Any coverage provided hereunder will be excess over any other valid and collectible insurance available to the additional insured whether primary, excess, contingent or on any other basis unless a

written contract specifically requires that this insurance be primary.

When this insurance is excess, we will have no duty under **SECTION I—COVERAGES** to defend the additional insured against any “suit” if any other insurer has a duty to defend the additional insured against that “suit.” If no other insurer defends, we will undertake to do so, but we will be entitled to the additional insured’s rights against all those other insurers.
