NEW BUSINESS

1. Consideration of a mortgage subordination agreement with Crafty Cow LLC at 6519 W North Avenue [25-2173](#)

The owners of Crafty Cow LLC, Deven Eichler and Simone Gaspar, are requesting approval of a mortgage subordination agreement as they are in the process of obtaining a Home Equity Line of Credit. Their personal residence serves as collateral for their CDBG loan with the CDA. The bank requires being in the first or second lien position. This financing will help consolidate debt and lower overall payments, strengthening both personal and business finances. The residence is the only collateral currently held for the loan. However, the CDA also holds a UCC lien on the business assets, which provides additional security beyond the home.

2. Consideration of a CDBG loan application from Sukhlal Gill, [25-2189](#)
Morethanbourbon Inc., related to establishing More Than Bourbon at
11500 W North Avenue

Morethanbourbon, Inc. is requesting \$100,000 of CDBG loan funding to assist with working capital and start-up costs for a new bar/restaurant at 11500 W. North Avenue. More Than Bourbon is an upscale, family-friendly drinking environment with an extensive wine and spirits list, craft cocktails and beer, as well as high-quality bar food, including smash burgers, griddle sandwiches, salads, and a kid-friendly menu. The building and site will undergo a complete transformation, including a new parking lot, windows, and concrete for patio for outdoor seating. The layout of the bar/restaurant will include a bar, wine pouring stations, private dining room, and a full kitchen, along with table seating. The business has obtained a conditional use permit, liquor license, and approval from the Design Review Board. As a requirement of the CDBG funding, the business will create a minimum of three full-time equivalent jobs held by low-moderate income individuals.

Motion to approve the CDBG revolving loan in the amount of \$100,000 at an interest rate 2.0% for a term of 60 months, amortized over 120 months as outlined in the loan analysis.
