Mike Steiner, PE

Assistant City Engineer

City of Wauwatosa

msteiner@wauwatosa.net

414.479.8974

Project Information

City of Wauwatosa (Lead Agency)

City of Milwaukee

+ 95th Street to 88th Street

Length ~ 1.92 miles

+ Wisconsin Avenue ~ 1.75 mi

+ Mayfair Road (STH 100) ~ 0.17 mi

Posted Speed

+ Wisconsin Avenue = 30 – 35 mph

+ Mayfair Road = 40 mph

Traffic (2023 Counts)

+ Wisconsin Avenue = 6,200 – 10,800 veh/day

+ Mayfair Road = 38,100 veh/day

Project Information

Key Stakeholders

- + City of Milwaukee
- + Milwaukee County Parks
 - Moss Universal Park
 - Honey Creek Parkway
- + Milwaukee Regional Medical Center
- + Milwaukee County Research Park
- + St. Camillus
- + Wisconsin Lutheran College

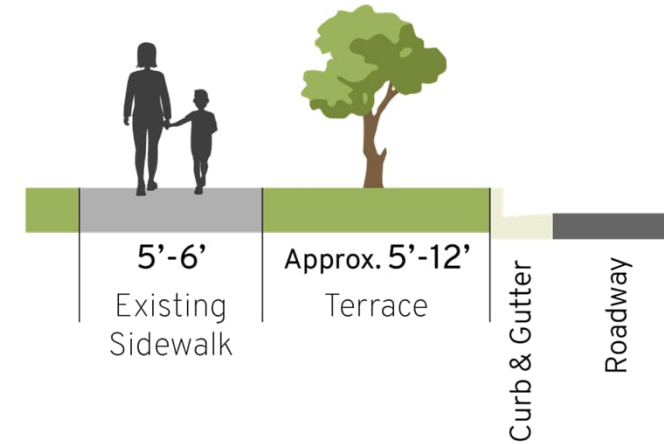

Project Information

Reasons For The Project

- + Lack of bicycle accommodations
- + Build a 10-foot-wide multi-use path
 - North side of Wisconsin Avenue (Honey Creek Parkway west to Mayfair Road)
 - Extend the path on the east side of Mayfair Road north (Wisconsin Avenue to Potter Road/Research Drive)

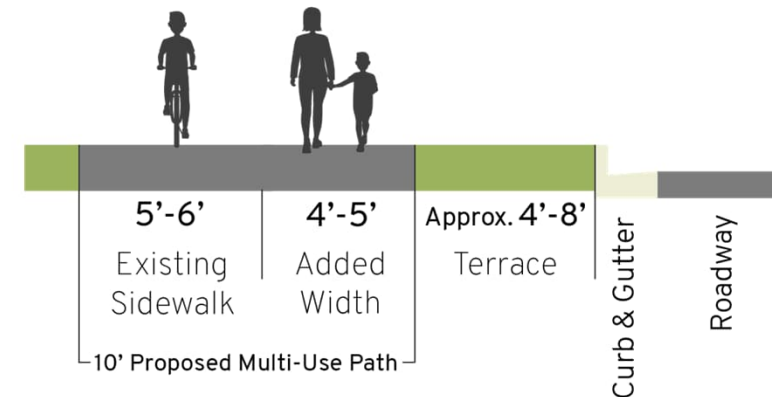

Existing Typical Section Looking South/East

NOTE: No Existing Sidewalk 94th St. to 92nd St.

Proposed Typical Section Looking East

106th St. to I-41
88th St. to Honey Creek

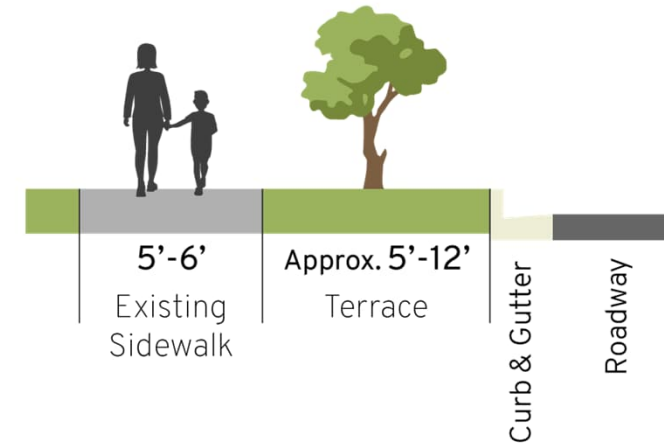

Project Information

Reasons For The Project

- + Improve marked crosswalks along the route to provide safer crossings of Wisconsin Avenue at regular intervals
- + Provide a connection to the Oak Leaf Trail at the east
- + Provide a connection to the Potter Road Path to the west

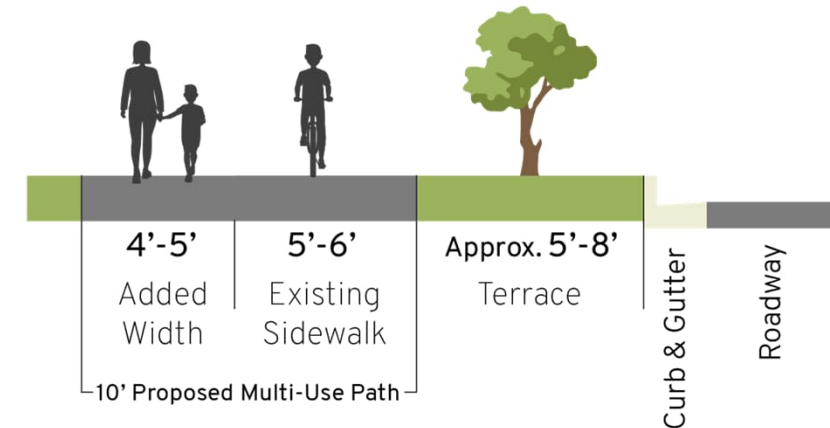

Existing Typical Section Looking South/East

NOTE: No Existing Sidewalk 94th St. to 92nd St.

Proposed Typical Section Looking South/East

Research Dr. to Wisconsin Ave.
Mayfair Rd. to 106th St.
95th St. to 88th St.

NOTE: No Existing Sidewalk 94th St. to 92nd St.

Project Description

Proposed Improvements

- + Curb extension (bump outs)
- + North-south crosswalks
- + Traffic signal improvements for public right-of-way
- + Accessibility guidelines (PROWAG)

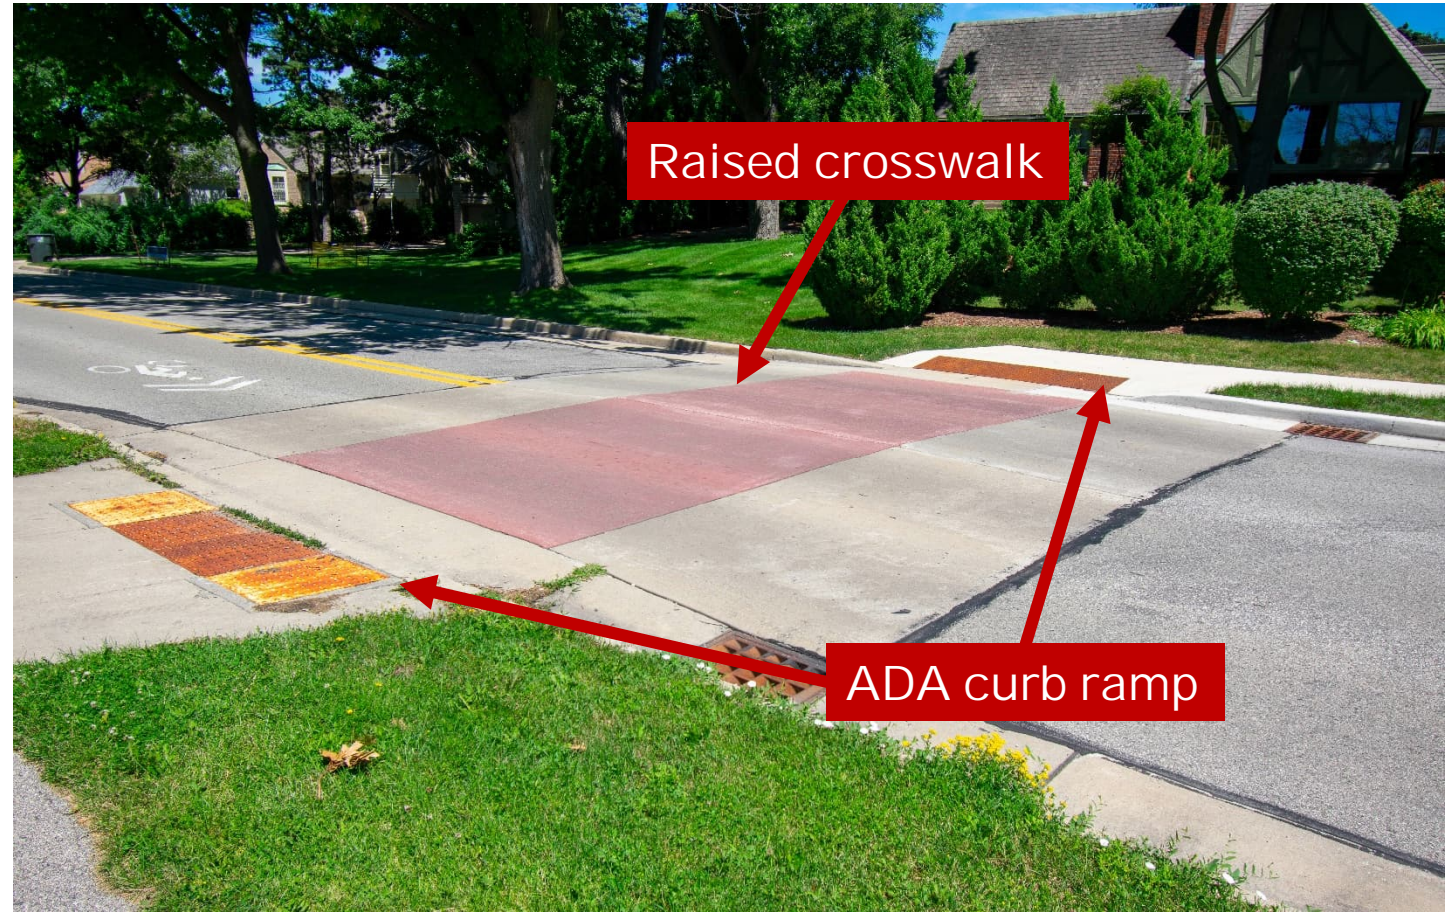

Facing East on W State Street at 72nd Street

Project Description

Proposed Improvements

- + Raised crosswalk
- + ADA curb ramp

Facing Northeast on Menomonee River Parkway at N 96th Street

Project Description

Proposed Improvements

- + Rectangular Rapid Flashing Beacon (RRFB)
- + ADA curb ramp

Facing North on Wauwatosa Avenue (WIS 181) at W Wright Street

Project Description

Proposed Improvements

- + Bicycle slip ramp

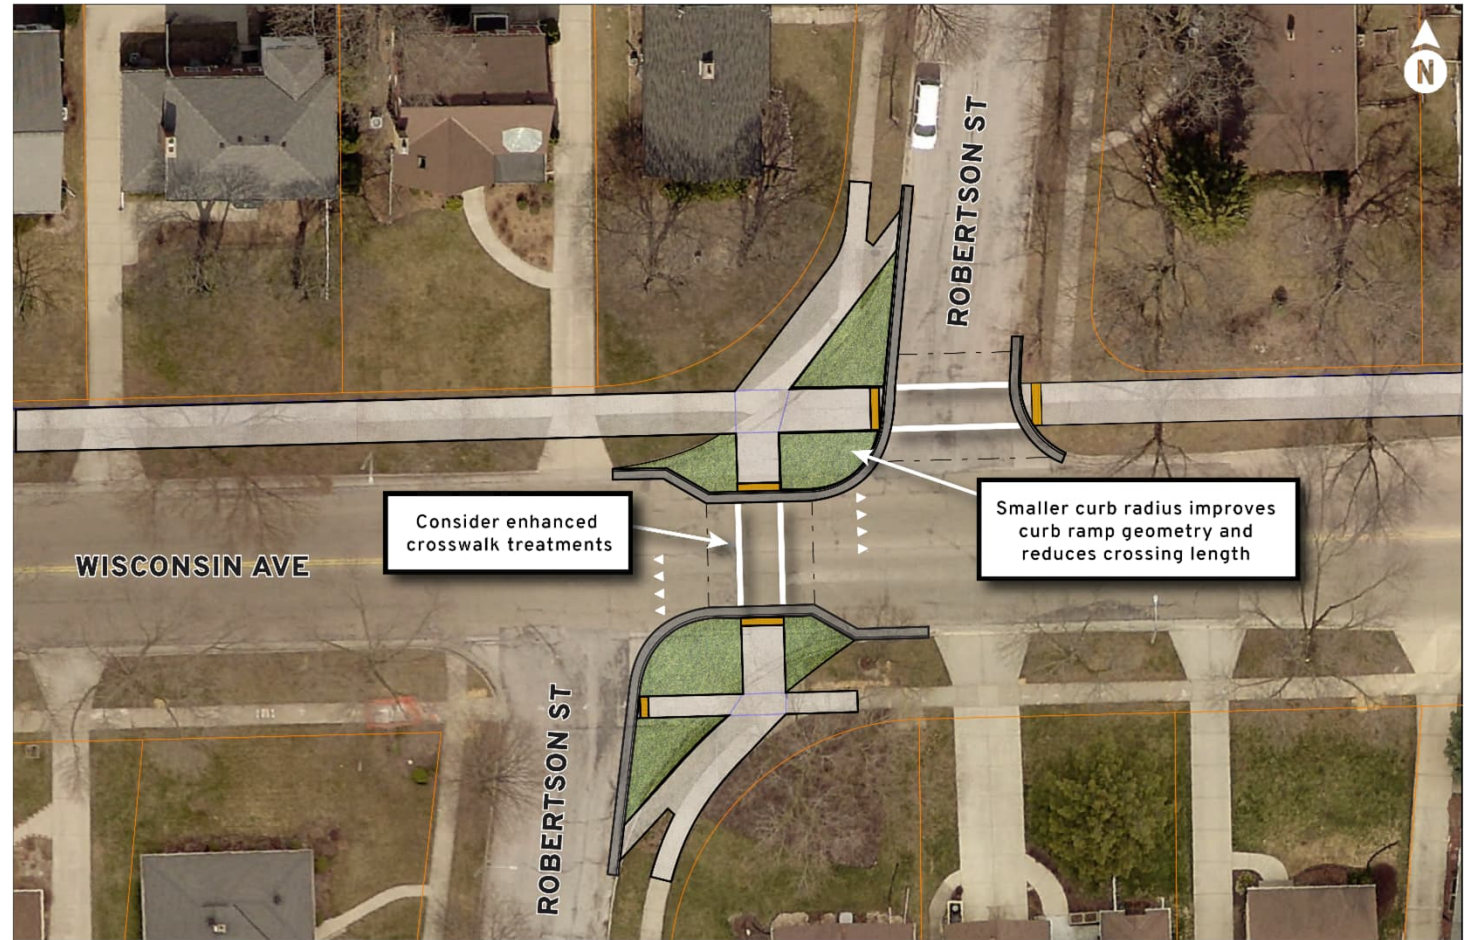

Facing Northeast on Swan Boulevard and South of Discovery Parkway

Project Description

Proposed Improvements

- + Robertson Street intersection

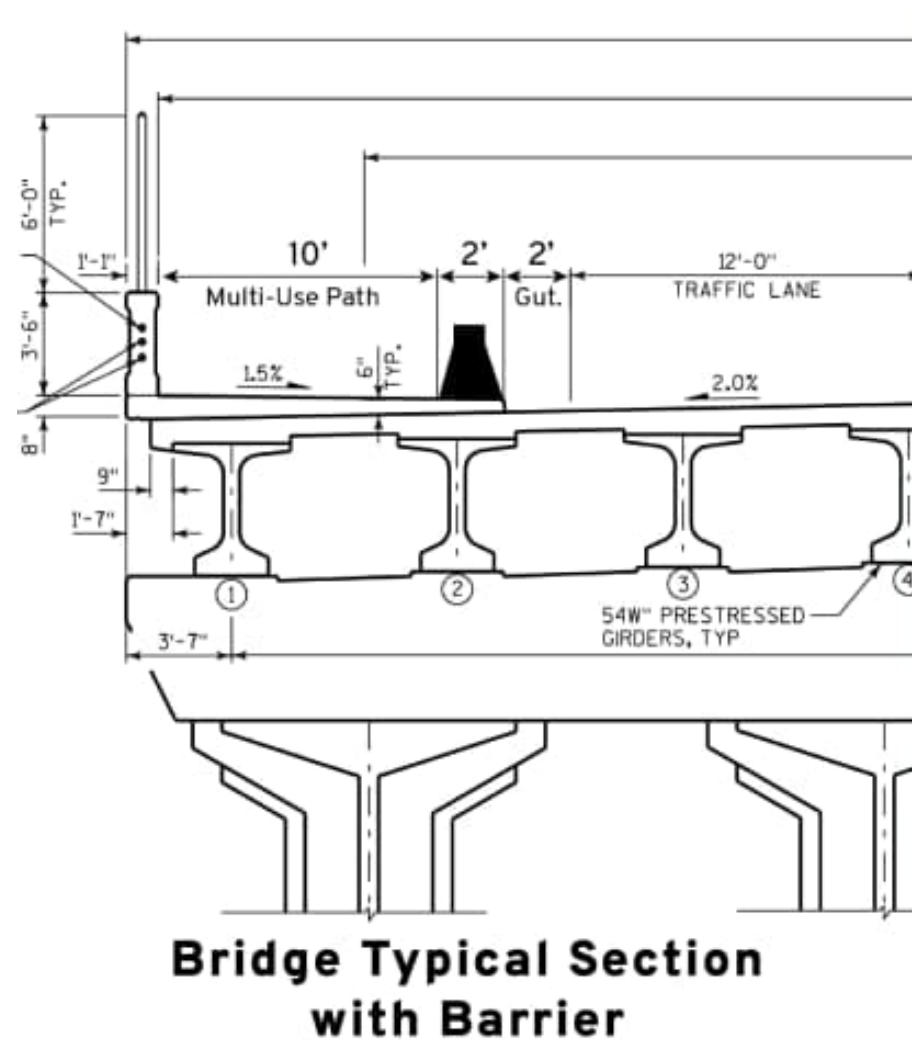

Conceptual View at Robertson Street

Project Description

Proposed Improvements

- + Incorporate a barrier-separated path along the north side of the Wisconsin Avenue bridge over I-41

Other Corridor Projects

Wisconsin Avenue

- + City of Wauwatosa Resurfacing Project
- + 106th Street to 98th Street
 - Anticipated 2026 construction

Project Description

Buses

- + MCTS, Wisconsin Avenue (95th to 92nd Street) – Connect 1
- + MCTS, Wisconsin Avenue (95th to 92nd Street) – #92
- + MCTS, Mayfair Road - #28
- + MCTS, Glenview Avenue - #33
- + Waukesha Metro, Wisconsin Avenue (95th to 92nd Street) – Route 1

Bicycles [generally shared lane or parking lane (existing)]

Pedestrians

- + Existing sidewalk on the south side of Wisconsin Avenue will remain in place

Street Lighting

- + Some existing poles could be impacted and relocated

Railroads (none)

Project Description

Storm Sewer

- + Potential drainage structure modifications at curb extensions

Water Main

- + Several existing hydrants may need to be relocated

Project Description

Approximate Construction Cost = \$2 million

Project Agreement

- + Federal funds ~ 80%
- + City of Wauwatosa funds ~ 20%

Construction/Staging

- + Scheduled for 2026
- + Roadways to remain open to traffic

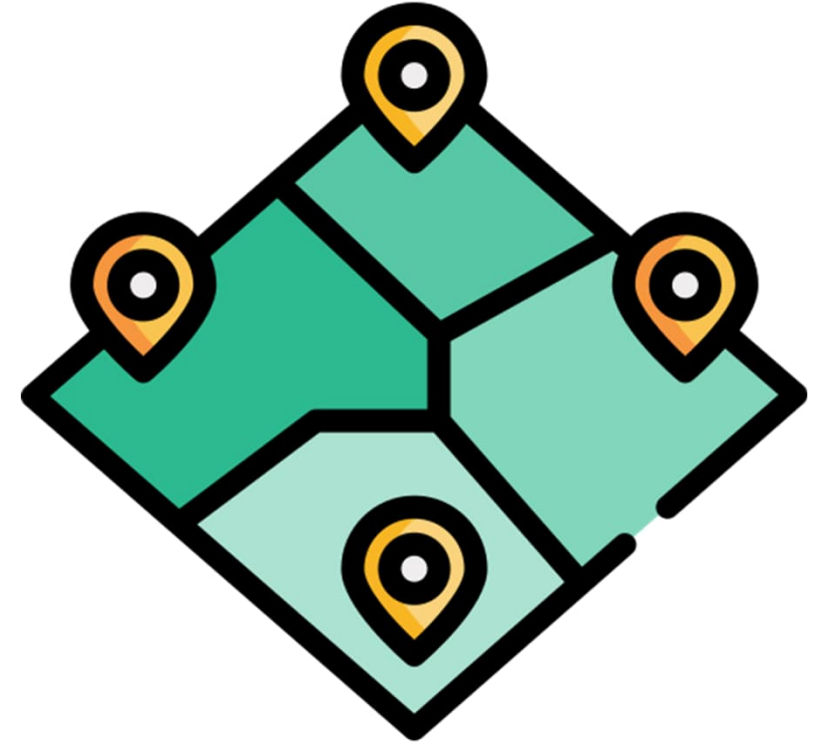

Project Description

Real Estate

- + Traditional right-of-way plat
- + FEE, PLE, and TLE anticipated
- + No relocations
- + No access control anticipated

Appraisals/Negotiations/Acquisitions by Single Source, Inc.

Purchase by The City

Public Involvement

Public Involvement Plan – Approved June 2024

Meetings – One Planned

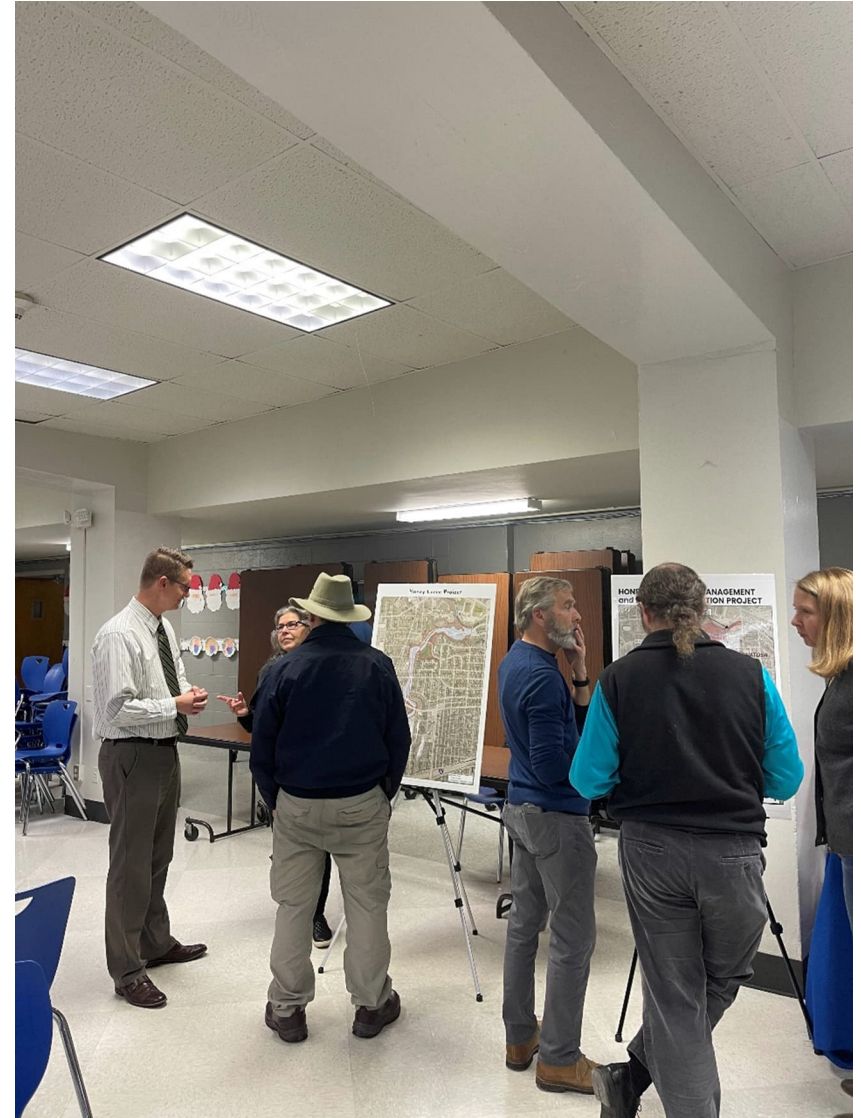

- + July 2024 – PIM

Social Pinpoint Page

- + engage.wauwatosa.net/wisconsin-avenue-multi-use-path

City to Prepare Email Updates

- + Status updates on the project, construction staging, and schedule

Environmental

Environmental Document – CEC Agency Coordination

- + Department of Natural Resources
- + Fish and Wildlife Service
- + State Historical Preservation Office
- + Native American Tribes

Phase 1 Hazardous Materials Investigation

- + Underway
