Why are you interested in joining this Board or Commission?

Dear Mayor McBride and the Wauwatosa Common Council: I would like to be considered for the next opening on the Wauwatosa Public Library Board of Directors. I understand there will be a vacancy in the near future. Thank you for your consideration. The Wauwatosa Library is a special place for me and my family. Since moving to Wauwatosa six years ago, we have found the library to be a wonderful place for community gatherings, a comfortable place to bring our kids, and an excellent resource for our growing and curious family. When I find out someone is considering moving to Wauwatosa, I tell them about our library. I mention Maria and her storytime classes and other wonderful resources for children in our community. I mention that the library is open in the evenings and on Sunday, which is an indication that this community understands there are families that might need the library at different hours, depending on their situation. Libraries can and should be a representation of the community and what we hope to provide to our constituents. In my opinion, the Wauwatosa Library is a great resource for our community and my desire to be on the Board of Directors is so that I can be part of the work that helps keep it running. I believe strongly in public service and would be honored to serve on the Board of Directors. As an attorney, I have an understanding of the role a Board of Directors and I am confident my background, skillset, and genuine love of libraries would be a welcome addition to the Board. Please do not hesitate to contact me for additional information. The resume I am attaching here does not include my most recent job change as an Associate General Counsel for SCA Health, which I started in February 2024. Sincerely, Christine Lindstrom
