Subject: [External] Parking on Pasadena

Proprietary

I wanted to send a quick note in support of the proposed two-hour parking restrictions on Pasadena Blvd. I live at 2333 Pasadena Blvd, and the parking situation in front of our home has become increasingly challenging.

Many Sendik's and bank employees park on the street for the entire day, which significantly limits parking availability for residents. In addition, delivery trucks and vehicles frequently block our driveway, and cars often park over the apron, making it difficult to safely enter and exit.

This has become a significant issue for us, and I would greatly appreciate any efforts to help address it. Thank you for considering these changes.

Best regards,
Allison
