

Community Development Block Grant (CDBG) Fund Inter-Department Application - PY 2025

Primary Information:

Department _____

Amount of CDBG Funds Requested \$ _____

Primary Contact Person _____

Project Category _____

National Objective _____

Proposal Description (presented to Block Grant Committee for review):

The CDA serves as the Redevelopment and Housing Authority for the City, soliciting and/or evaluating proposals for commercial and housing projects. The CDA oversees financial resources to assist redevelopment and is requesting CDBG funds to support affordable housing projects in need of gap financing. The CDA partners with affordable housing developers undertaking WHEDA tax credit or other affordable housing developments to provide assistance for affordable housing units that would not be viable without CDBG funding.

Additionally, CDBG funds will support the City's Housing Rehabilitation Program for owner-occupied housing rehabilitation activities.

Project Location & Project Service Area:

Identify the specific location of the proposed project and/or the service area of the project. If the activity is site specific provide the street address(es) and a map. The service area describes the location of the residents being served.

Funds will be used for eligible housing activities at site specific addresses located throughout the City.

Proposed Number of Beneficiaries:

_____ Number of Households Served

Proposed Budget / Use of Funds:

All approved CDBG dollars would be used for eligible activities related to the creation of affordable housing units and/or rehab efforts of affordable units (i.e. land acquisition, development soft costs, or rehab work).
