**Subject:** [External] Parking Restrictions on Pasadena Blvd.

Regarding parking restrictions on Pasadena Blvd., I would suggest that the two-hour limit only be considered for the section from the alley north of North Ave. to Meinecke. That could be helpful for the businesses on North Ave. but unnecessary north of Meinecke and an occasional inconvenience for the residents. The only time that I can think of to limit the parking all the way to Wright Street might be on the 4<sup>th</sup> of July. (Perhaps temporary signs could be used but probably not necessary.)

Sincerely,

Elisabeth Cook
