Subject: [External] parking restrictions

Hello,

My name is Joan Hanneken and I live at 542 Elm Spring Ave in Wauwatosa.

I have lived here 30 years. I am totally against lifting the parking prohibitions on my street. I have spoken to my neighbors as well and they are against it as well.

We have a peaceful, quiet street without numerous cars parking on our block from Wis Lutheran and the medical center. I want to keep it that way. Children play on this block after school and this would impact their safety.

I want the parking prohibitions to remain.

Thank you.

Joan Hanneken
