ADDRESS MAIL MERGE

RE: Parking Regulations on 122nd Street, Garfield Avenue to North Avenue

Dear Property Owner:

The City of Wauwatosa received a request to reconsider parking regulations along a segment of 122nd Street, south of North Avenue, to increase parking access for residents. In September 2023, the Transportation Affairs Committee (TAC) authorized a 90-day trial to modify parking along 122nd Street between North Avenue and Garfield Avenue. The 90-day trial was extended by the committee in late October 2023 after a change to the original trial.

The 90-day trial is now complete. I am recommending that the City make permanent the changes from the trial, which are outlined below and illustrated on the following page.

- Sign fifteen-minute parking along the west side of 122nd Street from the alley south of North Avenue to a point 47-feet south thereof, and eliminate parking restrictions from that point south to Garfield Avenue.
- Eliminate parking restrictions on the east side of 122nd Street from 100-feet south of North Avenue to Garfield Avenue.

The modifications, if approved, would result in less restrictive parking on 122nd Street.

This recommendation will be considered by the TAC. Your feedback is appreciated. We welcome your attendance at the TAC meeting where this matter will be discussed and action potentially taken. If you are unable to attend the meeting or wish to share your opinion in writing, please email me directly at mmay@wauwatosa.net.
