Dear Ms. Saunderson,

My name is Marge Shantz and I live at 536 Elm Spring Ave. I am writing to express my concern with the proposed change to parking rules on Elm Spring Avenue. Currently there is a considerable amount of traffic on our street from individuals coming and going to the medical complex. I strongly feel that the proposed additional parking on Elm Spring Avenue would cause more difficulty in getting up and down the street and in and out of our driveways. I strongly oppose the proposed parking changes on Elm Spring Avenue.

Thanks for your consideration,  
Marge Shantz
