### Resolution selecting and approving alternative for Schoonmaker Creek watershed flood mitigation project (CIP Project #3005)

WHEREAS, in 2022, the City of Wauwatosa began to assess alternatives to mitigate flooding in the Schoonmaker Creek Watershed from 17 to 2 and the city engaged with a consulting engineering firm to undertake a detailed analysis of these two options which were a tunnel option and a conventional storm sewer option;

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City of Wauwatosa that the city selects the conventional storm sewer option as it is the least costly option at \$38.9 million dollars compared to the tunnel option, which is \$63.6 million dollars.
