

CITY OF WAUWATOSA  
MEMO

**To:** Wauwatosa Sustainability Committee  
**From:** Megan Conway, Sustainability Manager  
**Subject:** Monthly Sustainability Updates – **January 2026**

**A. Updates (December 2025)**

- Continued collaboration with Compost Crusader on grant opportunity
  - Exploring different approaches to increase organic waste diversion
- Near-term sustainability staff goals
  - Finalized key messages and project examples for City sustainability website and outreach materials
  - Coordinating municipal solar arrays for public dashboard
- Potential wetland restoration project – Firefly Grove Park
- Fleet analysis progress – potential fuel savings

**B. Short-Term Priorities (January 2026)**

- Continued sustainability outreach
  - Multifamily residential buildings
  - Explore TIF sustainability consulting options
  - Sharing new Focus on Energy programs for 2026, HOMES/HEAR programs
- Small Business Forgivable Loan Program
- City Hall/Library planning

**C. Requests for Committee Support**

- Feedback on sustainability goals messaging for City Sustainability website
