I left the out post while was driving south on 70th St on my way to Home Depot Parking. All of a sudden I heard a very sharp noise like I hit something. A large piece of metal used on barricades apparently fell out of the Wauwatosa work truck. see attached

A pedestrian stopped and I started  
my vehicle and we tried to  
remove the piece but were not  
successful. I then hooked up  
and it came loose. We picked  
it out + a volunteer truck picked  
up + another pedestrian said that  
the piece just fell off that truck.  
The host worker was very nice  
& apologized. I was concerned  
so I drove to Bretts Auto  
on Bremner & they lifted my  
vehicle and showed me the  
damage + took pictures. I would  
like to take it to pass of Brock Road  
for an estimate. Auto is a  
2025 A/C 350h.
