CIRCUMSTANCES OF CLAIM

In the space below briefly describe the circumstances of your claim. (Attach additional sheets if necessary.)
For auto damages, attach a copy of police report, if any, and a diagram of the accident scene indicating north, south, east or west corners if the accident occurred at an intersection. For bodily injury, indicate nature of injury, whether or not medical attention was given and the name of the treatment provider. Identify any witnesses to the incident/accident.

Wauwatosa
City Attorney's Office

I was legally parked on the east side of North 65th Street while I was inside of a friend's home. My car was hit by a Wauwatosa Police car, damaging only the driver's side mirror. Another car was parked on the west side of the street, opposite of me. The Officer came to the front door and notified me immediately. He was both apologetic and professional. Sargent Jacob Grosenick came to the scene and took all of the information. He was also most helpful and professional. No one was injured.

On Monday afternoon, January 6th, I took my car to Ewald Venus Ford for an Estimate to repair same. I bought my car there and they have done all of my service/repairs since I purchased same. I am satisfied with their work. I own a 2015 Ford Edge. The total repair is estimated to be \$1,236.65. Please see attached. +
