August 24th 1pm til 6pm in our back parking lot. Beer tasting and live music from 4-6.

Description

Looking to do a beerfest in our parking lot from 1pm til 4pm on August 24th. We will have a band from 4-6pm outside after that. I will contact neighbors in close proximity and be posting on social media and local boards to get the word out. The band is a soft rock Liam Ford Band. There will be over 15 breweries coming that day to give out 5oz samples of their specialty beers to everyone who signs up ahead of time. All the money transactions will be pre-paid or paid inside that day. We will be blocking off our parking lot to hold this event.
