Subject: Signage Variance

1. To grant a request for a variance on the setback requirements for a monument sign, if the board finds that exceptional circumstances warrant approval of the variance. To establish exceptional circumstances the board must find all of the following:
 - a. That the circumstances are not of the applicant's making, - **The building is set back from the interstate 600' + from the centerline of the northbound lane of Highway 41. A 32 SF banner from that distance will not be readable and useless from a standing position let alone driving in heavy traffic at highway speeds.**
 - b. That the applicant's request mitigates unusual site conditions - **The unusual condition is that the building is set so far back from the interstate for the west & southwest elevation, the north side is blocked by buildings and the east side is blocked by a parking ramp.**
 - c. That the applicant's request would not result in depreciating property values or otherwise create a detriment to the neighborhood, - **This request will not impact the neighborhood or be seen from the residents on the north side.**
 - d. That the applicant's request is consistent with the spirit and intent of this chapter, and - **We feel this is an ideal condition for use of a variance**
 - e. That compliance with this chapter would be unduly burdensome - **We feel this is the case. The building owners will not have any revenue after ABB moves out if they are not able to secure new tenants.**
2. To grant a request for a variance on all applications other than those seeking relief under subsection (B)(1) above, if the board finds, that the record established by the applicant, meets the criteria in subsections (B)(1)(a) through (B)(1)(e) above. In addition, the board must find that but for the grant of a variance the applicant will experience a hardship. To establish a hardship the board must find that the applicant can make no reasonable use of the subject property without a variance.
 - * **We feel this is a great use of a variance for a variety of reasons as follows:**
 - * **ABB is a well-recognized brand that is moving out of the area. It will be highly visible that ABB has moved out without a new company moving in. ABB's lease expires in May 2024.**
 - * **Finding a new tenant for a building of this size is challenging but doable. It takes time along with marketing visibility for potential tenants and brokers to notice the opportunity.**
 - * **Ideally the building will take a single user but the building could be broken up to accept more.**
 - * **The longer the building is without tenants is lost revenue for the building owners.**
 - * **Without tenants there is a loss to Wauwatosa & local restaurants, gas stations, hair salons, retail stores, hotels etc for revenue.**

APPLICATION FOR SIGN APPEALS

Sign Address 1425 Discovery Parkway Wauwatosa WI 53226

Applicant Innovative Signs Inc - Chad Schultz Phone 262-432-1330

Address 21700 Doral Road City/State Waukesha WI Zip 53186

Property Owner 1425 Discovery LLC Phone 312-592-8053

Address 10 S. Wacker Street 28th Floor City/State Chicago IL Zip 60606

Proposed Variance Request (Sign Inspector can assist with the following):

- Code section appealed: 15.14.260 Banners
 - Practical difficulty or hardship: ABB building is set off from the interstate 640' from building to N.B. lane of Hwy 41. A 32 SF Banner cannot be effective advertisement at that distance & cars traveling at Highway Speeds
- Absence of detriment This variance will not create a detriment to the overall character of the neighborhood.
 This variance will not adversely effect property values.

The Board must conclude that these items exist in order to grant a variance. A written addendum may be added.

Owner of Record's Signature (required) Kirk [Signature] - Vice President Date 8-28-2024

Applicant Signature Chad Schultz Date 8-28-2024

In order to avoid any delays in the processing of your application, please provide the following at the time of submittal:

- Completed application form - incomplete applications can not be processed
- Two (2) sets of scale drawings of the site plan showing the proposed location of signs, landscaping and lighting
- Two (2) sets of scale drawings of the sign detailing all dimensions, construction, height above grade, type of illumination and lettering and graphics as they will appear on the sign
- Samples of colors and materials - the use of white backgrounds on illuminated signs shall be minimal - not more than 25% suggested. Samples are required only for freestanding or monument sign submittals.
- Photograph(s) of existing signs and of the buildings on which signs will be placed
- Adjoining property owners: all names and addresses of all abutting and opposite property owners
- \$120.00 NONREFUNDABLE appeal fee
- Completed Application for Sign Permit - permit fee to be paid once appeal is granted

The City of Wauwatosa Municipal Code, Section 15.16, establishes a "Board of Sign Appeals" for the purpose of hearing appeals, authorizing issuance of additional sign permits, and granting variances and exceptions to the provisions of the Sign Code.

Meetings of the Board of Sign Appeals are conducted at Wauwatosa City Hall, Council Chambers, 7725 West North Avenue, Wauwatosa, Wisconsin, at 7:00 p.m. on the 1st and 3rd Thursdays of the month. Complete applications must be delivered to the Building & Safety Division not less than seven business days before the meeting the meeting.

The sign is a vertical rectangle with a red background. It features the word "AVAILABLE" in large, white, bold, sans-serif capital letters. Below it, the phone number "1.414.944.2101" is printed in a smaller, white, sans-serif font. To the right of the sign, there are two dimension lines: a vertical one on the left indicating a height of 60.0" and a horizontal one at the bottom indicating a width of 379.25".

Subject: RE: Sign Appeals - 1425 Discovery Pkwy

Chad,

I'm finding limited information regarding the adjoining sites. See link below for what I mean.

<https://apps.geocortex.com/webviewer/?app=00d9853f922845a5841e0123918a449a>

When I go to the GIS site and use the parcel viewer tool, to review the properties adjacent to 1425 Discovery, I'm coming up with Robert Bruss of Bruss Investments LLC. And, the property address is listed as 4301 537 W. Ramsey Ave, Greendale WI 53129.

It appears this is the real estate attorney that likely helped Mandel and Irgens secure these properties, etc.
