1. 24-0525 Consideration of request from the City Engineer for Amendment Number 1 of the State Municipal Agreement with the Wisconsin Department of Transportation for the Mayfair Road repaving project between Burleigh Street and Silver Spring Drive (CIP Project 1122)	Taylor S	53213	High level of support for this since it creates an oak leaf multi-use bridge underneath Mayfair which will be a large improvement to the current on road crossing which is currently tricky to cross safely on foot or bike.
