**Why are you interested in joining this Board or Commission?**

My name is Dash Johnson, and I am 13 years old and a 7th grader at Christ King School. I love my community and would really appreciate the opportunity to have a voice on local issues that concern young people here. I have a lot of opinions on ways to get young people involved in our community through fun events. I would also like to be able to express my views and opinions on ways to improve life for young people in Wauwatosa. My older brother Guy will continue to be part of the commission next year, so I will be able to attend all monthly meetings with him. Thank you for your consideration.
