Dear Council Members,

On behalf of the Wauwatosa Public Library Foundation, I am writing to express our strong support for the city entering into a contract with the construction management company C.G. Schmidt for construction management services for the proposed city hall and library project.

This next step is essential to ensuring that the Wauwatosa Public Library continues its long history of excellence in serving our community.

The Wauwatosa Public Library Foundation is also prepared to partner with the Library Board on a capital campaign to help bring this project to fruition. Together, we are committed to creating a library that will meet the needs of our residents for generations to come.

Thank you for your consideration and for your ongoing support of the Wauwatosa Public Library.

Sincerely,

Michael Anich, President  
Wauwatosa Public Library Foundation
