Where is alcohol sold & consumed?

The Muellner Building is a multi-room event venue located at 7300 W. Chestnut Street, Wauwatosa, WI 53213, situated within Hart Park. Alcoholic beverages will be sold, stored, and consumed within the interior event spaces of the building as well as designated outdoor areas (if possible) adjacent to the structure.

The building includes the following rooms:

- Tosa Room – The largest event space, located on the main level. This open hall accommodates up to 450 guests and is the primary location for bar service and alcohol consumption during private and public events. The bar location will be dependent on the event's floor plan.
- Riverview Room – A mid-sized event space with views of the Menomonee River. This room hosts weddings, receptions, and community gatherings. Has a stationary bar.
- Garden Room – A smaller, flexible event room located near the west entrance, used for workshops, meetings, and small gatherings. The bar location will be dependent on the event's floor plan.
- Firefly Room – An intimate space often used for breakout sessions, private dining, or meetings. The bar location will be dependent on the event's floor plan.
- Main Lobby/Common Area – Entryway and corridor space used for guest check-in and limited standing reception. This space could have passed champagne or wine as guests entered events.
- Storage Room – Locked area for secure storage of alcoholic beverages and supplies. This is also where the invoices (liquor purchases) and documentation of for the liquor will be stored.
- Designated Outdoor Area (when permitted) – Patio and lawn space adjacent to the building may be used for alcohol consumption during approved outdoor events. All service requirements will be followed.
